Paul

The draft letter was sent to OCIR on Friday for Bob P's signature. I don't know if OCIR runs these Gov/Congressional response letters by OGC.

I can forward the draft we sent on.

Carl,

I was out on Friday, but if the letter to WY hasn't been sent yet, I think it'd be helpful for ORC to do a quick review. I or others could do that early Monday morning. If the letter hasn't already gone out. Thanks -

Attached is the WY Governor's response to our verbal offer to hold additional regional haze public hearings. The Region had drafted a response to the Governor's initial request before this follow on letter came in and we planned to transmit it to OCIR tomorrow. There may need to be some acknowledgement of the follow on letter in our response.
